Re: Additional National Filings
Our Reference: PM 1550/1697
Your Reference: RG 34507 - (Burns & Doane PCT/US93/08457)
Electrical Smoking System for Delivering Flavors and Method for Making Same

Dear Patrick:

The following is a listing of countries in which we want to file national applications without claiming priority:

Argentina
Costa Rica
Dominican Republic
Mexico
People's Republic of China
Philippines
~~Poland~~ per telecon with P.L. on 01-06-94
Singapore (registration of patent when appropriate)
Taiwan
Venezuela

The earlier case, PM 1550 was filed September 11, 1992, so we anticipate a foreign publication of PM 1550/1697 on or about March 11, 1994. Please check your records regarding that date.

Already on file is a PCT application and national filings in Malaysia, Thailand and Turkey. Please consider whether we need to instruct your agents there to report immediately if there is any likelihood of a grant or other form of publication.
